There's a Customer Born Every Minute

Praise for *THERE'S A CUSTOMER BORN EVERY MINUTE* "Joe Vitale has created an entertaining, educational, and motivational manual-with the help of P.T. Barnum-that belongs in every hotel room alongside the Bible. Then, guests might read his inspirational book first, and give thanks to God for this worthy discovery." —Alan Abel, media hoaxer, author, consultant and lecturer on "Using Your Wits to Win" "If you're going to excel in business, learning about a showman like Barnum and applying some of the lessons he taught can give you valuable insights. Joe Vitale has captured ten of these lessons (he calls them 'rings of power') and shows how you can apply them in a way that will open your eyes and stretch your imagination. There's a lot of money-making and fun wisdom here." —Joseph Sugarman, Chairman, BluBlocker Corporation "Finally someone does it!!! Joe Vitale reveals the REAL P.T. Barnum! Vitale highlights the outrageously astute marketing of Barnum. Barnum's driving belief certainly was that there IS a customer 'born' every minute. You will glean a number of useful 'new' marketing ideas that you can instantly use in your business. And you will learn about one of the savviest marketers of a time gone by. Fun, exciting, insightful, and packed with ideas! Genius!" —Kevin Hogan, author of *The Science of Influence* and *The Psychology of Persuasion* "I love this book. If you'd like to know the real story about one of the most fascinating characters in American history, told by a master storyteller (and the person who probably knows more about him than anyone else), read this book. Barnum is not the guy portrayed by the legend attached to his name. He is much, much more, and Vitale tells his story with the can't-put-it-down passion and excitement he's become so well known for." —Bill Harris, President, Centerpointe Research Institute

Automatic Wealth III

Automatic Wealth III: The Attractor Factor - Including: The Power of Your Subconscious Mind, How to Attract Money by Joseph Murphy, The Law of Attraction AND Feeling Is The Secret The Power of Your Subconscious Mind by Dr. Joseph Murphy I have seen miracles happen to men and women in all walks of life all over the world. Miracles will happen to you, too-when you begin using the magic power of your subconscious mind. This book is designed to teach you that your habitual thinking and imagery mold, fashion, and create your destiny; for as a man thinketh in his subconscious mind, so is he. Why is one man sad and another man happy? Why is one man joyous and prosperous and another man poor and miserable? Why is one man fearful and anxious and another full of faith and confidence? Why does one man have a beautiful, luxurious home while another man lives out a meager existence in a slum? Why is one man a great success and another an abject failure? Why is one speaker outstanding and immensely popular and another mediocre and unpopular? Why is one man a genius in his work or profession while the other man toils and moils all his life without doing or accomplishing anything worthwhile? Why is one man healed of a so-called incurable disease and another isn't? Why is it so many good, kind religious people suffer the tortures of the damned in their mind and body? Why is it many immoral and irreligious people succeed and prosper and enjoy radiant health? Why is one woman happily married and her sister very unhappy and frustrated? Is there an answer to these questions in the workings of your conscious and subconscious minds? There most certainly is. It is for the express purpose of answering and clarifying the above questions and many others of a similar nature that motivated me to write this book. How to Attract Money by Dr. Joseph Murphy It is your right to be rich. You are here to lead the abundant life, and to be happy, radiant, and free. You should, therefore, have all the money you need to lead a full, happy, prosperous life. There is no virtue in poverty; the latter is a mental disease, and it should be abolished from the face of the earth. You are here to grow, expand, and unfold - spiritually, mentally, and materially. You have the inalienable right to fully develop and express yourself along all lines. You should surround yourself with beauty and luxury. Thought Vibration or the Law of Attraction in the Thought World by William Walker Atkinson In this New Thought classic, Atkinson looks at the law of attraction in the thought world. He points out the similarities between the law of gravitation and the mental law of attraction. He explains that thought vibrations are as real as those manifesting as light, heat, magnetism and electricity. The difference is in the vibratory rate which also explains the fact that thought vibrations cannot usually be perceived by our 5 senses. Feeling Is The Secret by Neville THIS book is concerned with the art of realizing your desire. It gives you an account of the mechanism used in the production of the visible world. It is a small book but not slight. There is a treasure in it, a clearly defined road to the realization of your dreams.

How to Attain Your Desires

Fiery Texas author breathes life into dead woman Dr. Joe Vitale, the world-famous copywriter and creator of the \"hypnotic Writing\" method, has chosen to release the amazing book that changed his life - one of the 3

most powerful books of all time. Dr. Joe Vitale Presents: How to Attain Your Desires. By Letting Your Subconscious Mind Work For You. Brought back to life from an amazing book entitled Attaining Your Desires: By Letting Your Subconscious Mind Work For You by Genevieve Behrend. This long lost 1929 book was discovered by Dr. Joe Vitale many years ago. This amazing book profoundly influenced his life. It taught him how to focus on the essence of something he wanted-rather than on the appearance of something-in order to magnetize him to receive what he truly desired. Written as a complete seven-lesson course in the early 1920s in dialogue form, between a "Sage" and a "Pupil." The Sage is the famous author and teacher, Judge Thomas Toward; the Pupil is you. It is very easy reading, very tightly written, and very enlightening. Within these lessons is pure compressed dynamite. Here are a few sub-headings to give you a sense of the staggering power of this rare material: "How to Get What You Want" "How to Overcome Adverse Conditions" "Strengthening Your Will" Dr. Joe Vitale breathes life into the book as the list of incredible topics, answers, and mind expanding concepts goes on and on. The book even includes special sections on handling anger, disease, disappointment, and much more. You can now learn from this amazing author too, for the first time in almost a hundred years, as Dr. Joe Vitale takes Genevieve Behrend's magical book and releases it to the public.

The Power of Choice

It's said that people come into and out of our lives for a reason it seems, right when we need them the most. How does this happen? Who sends them? In 2011, author Victoria Hartland was blessed when a stranger came into her life. In *It Happened on Munger Street*, she shares how a chance meeting with Samuel changed the course of her life. When author Victoria Hartland experienced a painful divorce in 2002, she struggled financially and emotionally for several years. She did her best to get through each day and to help her two children cope during this stressful time. Hartland narrates how she met Samuel by chance on an online dating site, and with a leap of faith, she gathered the courage to write to him in 2011. Though they were total strangers, he wrote back a few days later, and the two began an online conversation that lasted more than three years. She tells how Samuel led her down a new spirituality path and urged her toward forgiveness and freedom. *It Happened on Munger Street* tells the inspirational, spiritual journey of a single mother and how she learned to begin again after a difficult divorce. A Cry For Help provides the solution to a very old puzzle. Namely, why is it that millions of people desperate for happiness can't find it in thousands of self-help books? Every one of these books has tools in it that can help you and I make our dreams come true. So what on earth can be wrong? The answer is unbelievably simple, but very difficult to believe. It's this. By far most of us have no idea what our own dreams are. To make our dreams come true after all, we must know what those dreams are first. *A Cry For Help* reveals that a single sinister fear... of being judged...is keeping our dreams from us, and how to take it away. Once this fear is removed, our dreams flow back into our lives like water, and every single self-help book can help make them real. John Duffield
